Docket No. 98N-1265
Food and Drug Administration

Rockville, MD. 20857

2051 '99 APR 30 AM 12

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

*I only use compounding
pharmacies presently as their
pure, natural quality product
agrees with me (many food allergies).
Do not take away our
freedom to choose our
health care providers or
compounded prescription products.*
